
WISCONSIN MEDICAL SOCIETY, INC.,
and DAVID M. HOFFMAN, M.D.,

Plaintiffs,

vs.

Case No. 07-CV-4035

MICHAEL L. MORGAN,

Defendant.

**MOTION OF THE MEDICAL COLLEGE OF WISCONSIN
FOR LEAVE TO FILE AN AMICUS CURIAE BRIEF**

The Medical College of Wisconsin, by its undersigned counsel, hereby moves for leave to file an amicus curiae brief in this case. The Medical College of Wisconsin has a substantial interest in the outcome of this case because it contributes to the Injured Patients and Families Compensation Fund on behalf of its physicians. The Medical College of Wisconsin supports the position of the plaintiffs in this case that the withdrawal of \$71.5 million and the threatened withdrawal of \$128.5 million from this Fund is unconstitutional and unauthorized.

The Medical College of Wisconsin understands that counsel for the defendant does not oppose the filing of an amicus curiae brief by the Medical College of Wisconsin. The amicus curiae brief of the Medical College of Wisconsin will provide the court with a slightly different viewpoint on the significant issues presented in this case. Consequently, the Medical College of Wisconsin seeks leave to file a short amicus curiae brief and the affidavit of the Dean of the Medical College of Wisconsin, Doctor Jonathan I.

Ravdin, in support of the plaintiffs' position in this case.

Dated July 1, 2008.
