Your Support Makes Our Mission Possible

2005 Financial Awards

\$2,000 Houghton Awards for top-notch medical students

\$3,500 Medical Student Summer Fellowship

\$44,410 in scholarships awarded

\$65,945 in grants to support a variety of medical and health education projects throughout the state

Programs

The White Coat Campaign – Annually provides a white coat and note of encouragement for each first-year medical student in Wisconsin.

Operation: Education – Offers a forum for medical students to speak with physicians representing a variety of practices—family practice, specialties, and research, rural or urban—in small groups, allowing them to ask practical questions about areas they may or may not have previously considered.

Tribute Program – Provides an easy and meaningful way to remember someone with a gift to the Foundation—whether in memory of a deceased colleague or loved one, or a gift in honor of someone special or an occasion.

Charles W. Landis, MD, Memorial Lecture – Supports a lecture on a mental health topic annually

Fundraising Event

Our signature event for 2006, the **Charity Roast and Silent Auction**, will feature UW Badger Men's Basketball Head Coach Bo Ryan in the hot seat. Over 500 people attended the roast of Tommy Thompson last year, and we are planning for even more this year. With over 150 auction items and a very entertaining program, you won't want to miss it!

For table sponsorship details or to purchase individual tickets, contact Angie at 608.442.3721 or e-mail angiet@wismed.org.

Wisconsin Medical Journal

The mission of the *Wisconsin Medical Journal* is to provide a vehicle for professional communication and continuing education of Wisconsin physicians.

The *Wisconsin Medical Journal* (ISSN 1098-1861) is the official publication of the Wisconsin Medical Society and is devoted to the interests of the medical profession and health care in Wisconsin. The managing editor is responsible for overseeing the production, business operation and contents of the *Wisconsin Medical Journal*. The editorial board, chaired by the medical editor, solicits and peer reviews all scientific articles; it does not screen public health, socioeconomic or organizational articles. Although letters to the editor are reviewed by the medical editor, all signed expressions of opinion belong to the author(s) for which neither the *Wisconsin Medical Journal* nor the Society take responsibility. The *Wisconsin Medical Journal* is indexed in Index Medicus, Hospital Literature Index and Cambridge Scientific Abstracts.

For reprints of this article, contact the *Wisconsin Medical Journal* at 866.442.3800 or e-mail wmj@wismed.org.
