

Wisconsin Medical Society Foundation

The mission of the Wisconsin Medical Society Foundation is to advance the health of the people of Wisconsin by supporting medical and health education. The individuals and organizations named below made contributions to the Wisconsin Medical Society Foundation from January 1, 2006 through December 31, 2006. We are deeply grateful for each donor's support of the Foundation.

We offer special thanks to our "Gold Donors" — those who have consistently contributed \$100 or more to the Foundation during the past three or more years—as signified by an asterisk.

Your Support Makes This Possible

2006 Financial Awards

\$2000 in Houghton Awards for top-notch medical students
 \$7000 in medical student summer fellowships
 \$48,500 in scholarships
 \$33,694 in grants to support a variety of medical and health education projects throughout the state
 \$430,000 in low-interest, no-fee medical student loans

Programs

The White Coat Campaign— Annually provides a white coat and note of encouragement for each first-year medical student in Wisconsin.

Operation: Education – Offers a forum for medical students to speak with physicians representing a variety of practices—family practice, specialties, research, rural or urban—in small groups, allowing them to ask practical questions about areas they may or may not have previously considered.

Tribute Program – Provides an easy and meaningful way to remember someone with a gift to the Foundation, whether in memory of a deceased colleague or loved one, to honor someone, or for a special occasion.

Charles W. Landis, MD, Memorial Lecture – Supports a lecture on a mental health topic annually

Fundraising Event

Our signature fundraising event for 2007 will feature Stephen Dubner, co-author of the international bestseller *Freakonomics*. With a large silent auction and a very entertaining program, we anticipate attendance of 500 or more. You won't want to miss it! For table sponsorship details or to purchase individual tickets, contact Lisa Lawry at 608.442.3736 or e-mail LisaL@wismed.org. For more information on the Foundation, visit us at www.wisconsinmedicalsociety.org/foundation.

Wisconsin Medical Journal

The mission of the *Wisconsin Medical Journal* is to provide a vehicle for professional communication and continuing education of Wisconsin physicians.

The *Wisconsin Medical Journal* (ISSN 1098-1861) is the official publication of the Wisconsin Medical Society and is devoted to the interests of the medical profession and health care in Wisconsin. The managing editor is responsible for overseeing the production, business operation and contents of the *Wisconsin Medical Journal*. The editorial board, chaired by the medical editor, solicits and peer reviews all scientific articles; it does not screen public health, socioeconomic or organizational articles. Although letters to the editor are reviewed by the medical editor, all signed expressions of opinion belong to the author(s) for which neither the *Wisconsin Medical Journal* nor the Society take responsibility. The *Wisconsin Medical Journal* is indexed in Index Medicus, Hospital Literature Index and Cambridge Scientific Abstracts.

For reprints of this article, contact the *Wisconsin Medical Journal* at 866.442.3800 or e-mail wmj@wismed.org.
