

Wisconsin Medical Society Foundation

The mission of the Wisconsin Medical Society Foundation is to advance the health of the people of Wisconsin by supporting medical and health education. The individuals and organizations named below made contributions to the Wisconsin Medical Society Foundation from January 1, 2007 through December 31, 2007. We are deeply grateful for each donor's support of the Foundation.

We offer special thanks to our "Gold Donors" — those who have consistently contributed \$100 or more to the Foundation during the past three or more years—as signified by an asterisk().*

Your support makes this possible

2007 Financial Awards

\$500 Kenneth M. Viste, Jr., MD Young Physician Leadership Award
 \$63,411 in student scholarships and awards
 \$3500 Medical Student Summer Fellowship
 \$66,350 in grants to support a variety of medical and health education projects throughout the state
 \$380,000 in low-interest, no-fee medical student loans (no interest accrues while in school)

Programs

The White Coat Campaign provides a white coat and note of encouragement for each first-year medical student in Wisconsin.

Operation: Education offers a forum for medical students to speak with physicians representing a variety of practices—family practice, specialties, and research, rural or urban—in small groups, allowing an informal setting for students to ask questions early in their education.

The Tribute Program provides an easy and meaningful way to remember someone with a gift to the Foundation—whether in memory of a deceased colleague or loved one, or to honor someone or for a special occasion.

The Charles W. Landis, MD, Memorial Lecture supports an annual lecture on a mental health topic.

Fundraising Event

Our signature fundraising event for 2008 will feature the unique opportunity to meet Kim Peek, one of the world's few identified prodigious savants, along with Darold Treffert, MD, a recognized expert on Savant Syndrome. Peek has read over 7600 books and has 98% recall of each—not to mention a storehouse of facts on subjects ranging from music to history to sports. He's also developmentally disabled. Although it does not depict his actual life story, Peek inspired the 1988 Oscar winning film, *Rain Man*. With a large silent auction and a very intriguing program, we anticipate attendance of 500 or more. You won't want to miss it!

For table sponsorship details or to purchase individual tickets, contact Renee Reback at 608.442.3720 or e-mail reneer@wismed.org.

Wisconsin Medical Journal

The mission of the *Wisconsin Medical Journal* is to provide a vehicle for professional communication and continuing education of Wisconsin physicians.

The *Wisconsin Medical Journal* (ISSN 1098-1861) is the official publication of the Wisconsin Medical Society and is devoted to the interests of the medical profession and health care in Wisconsin. The managing editor is responsible for overseeing the production, business operation and contents of *Wisconsin Medical Journal*. The editorial board, chaired by the medical editor, solicits and peer reviews all scientific articles; it does not screen public health, socioeconomic or organizational articles. Although letters to the editor are reviewed by the medical editor, all signed expressions of opinion belong to the author(s) for which neither the *Wisconsin Medical Journal* nor the Society take responsibility. The *Wisconsin Medical Journal* is indexed in Index Medicus, Hospital Literature Index and Cambridge Scientific Abstracts.

For reprints of this article, contact the *Wisconsin Medical Journal* at 866.442.3800 or e-mail wmj@wismed.org.
