

Work Together.

Ministry Health Care gives you the chance to work with passionate providers who put patients first.

Would you like to go out for a free meal at your favorite restaurant? Respond to this e-mail with the subject line "Restaurant" and Shannon Steinbach will contact you to begin scheduling a dinner. You can also call Shannon directly at 715.342.7998.

You have the opportunity to work with committed and passionate providers who put patients first.

Enjoy the latest in advanced technology, including narrow band UVB and "virtual dermatology tools".

"We earn trust by working together to keep patients first in everything we do."
