

Thank you to WISMedPAC and WISMedDIRECT 2009 contributors—2010 efforts underway!

Thanks to the support of the following individuals, Society physicians continue to build their political activism. By contributing to WISMedPAC, you help support legislative and judicial candidates with a strong commitment to health care. WISMedPAC pools members' resources, thereby increasing physicians' ability to influence public policy. Join your colleagues statewide in contributing to WISMedPAC. You will be investing in your future, the future of your patients, and the future of medicine.
