

## We protect what's important to you and your family.

Insight. Experience. Passion for protecting your legacy and personal assets. With nearly 60 years of experience, we stand ready to assist physicians with estate planning and asset protection strategies, including the creation of wills and trusts, in order to achieve your overall financial goals.

For more information contact Jennifer Hannon, a shareholder in the Estate Planning Group at 608.257.3911 or [jhannon@gklaw.com](mailto:jhannon@gklaw.com).
