The WMJ staff continually seeks to expand our list of highly qualified reviewers. We are looking for reviewers who can be objective, insightful, and respond in a timely manner. Reviewers receive manuscripts electronically and are asked to review them and return comments within 3 weeks. All reviews must be completed online. Guidelines for reviewers are available at www.wmjonline.org.

Interested physicians and other health care professionals may complete our online sign-up form at https://www.wisconsinsomedicalsociety.org/forms/sign-up-to-be-a-reviewer/ or e-mail wmj@wismed.org with your name, preferred e-mail address, specialty, at least 3 areas of expertise or interest, and current practice location. If you have questions, contact Deana Hipke at 608-442-3752 or e-mail wmj@ wismed.org.
The mission of WMJ is to provide a vehicle for professional communication and continuing education for Midwest physicians and other health professionals.

WMJ (ISSN 1098-1861) is published by the Wisconsin Medical Society and is devoted to the interests of the medical profession and health care in the Midwest. The managing editor is responsible for overseeing the production, business operation and contents of the WMJ. The editorial board, chaired by the medical editor, solicits and peer reviews all scientific articles; it does not screen public health, socioeconomic, or organizational articles. Although letters to the editor are reviewed by the medical editor, all signed expressions of opinion belong to the author(s) for which neither WMJ nor the Wisconsin Medical Society take responsibility. WMJ is indexed in Index Medicus, Hospital Literature Index, and Cambridge Scientific Abstracts.

For reprints of this article, contact the WMJ at 866.442.3800 or e-mail wmj@wismed.org.
